Exclusive European distribution  
by Eureka bvba - 2812 Belgium

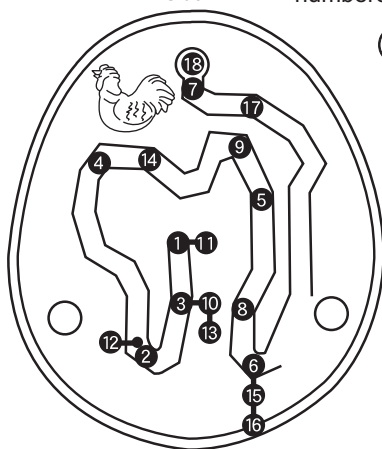

1 Start

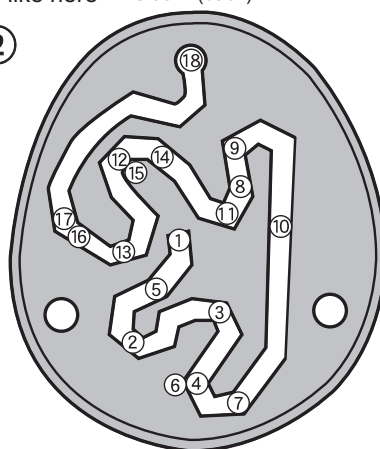

Side A

Imagine the plates  
numbered like here

Side B (back)

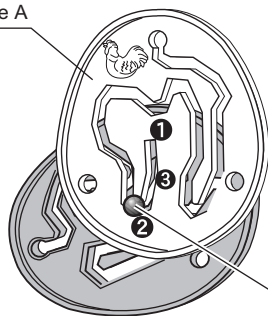

2

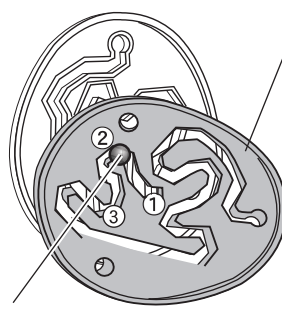

3 Rotate and move the plates at the same time to align the center pin position to the place with the same number on both side A and B.

View from side A

Sample view

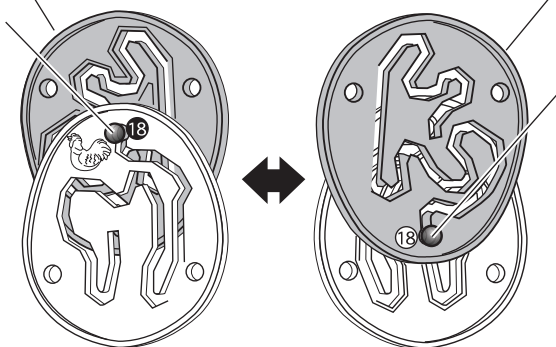

View from side B

Center pin

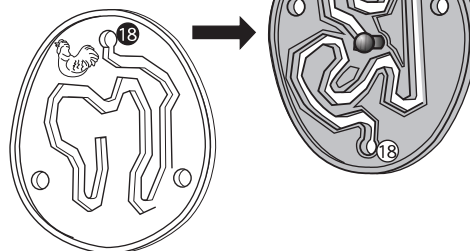

View from side A

4

View from side B

5

Separate the plates by withdrawing both  
center pins from their holes at the same time

Continue along to the end at 18
